EVENT COORDINATION/FAQ

BOOKING

Once an inquiry is made, a proposal will be sent by our team for a food and beverage minimum. This is an agreement that an amount of at least the minimum will be spent on food and drinks before tax and service charges. A 50% deposit and signed contract are required to confirm the booking. The total balance is due before the event, overages can be handled at the end of event time. All purchases are placed on one bill that can be paid for with up to four forms of payment.

RENTALS

Event spaces at VU include various levels of furnishings. Rentals fluctuate depending on the need of the space with the number of guests and type of event occurring. Once a need for a rental arises, your event coordinator will send over an estimate on the cost of these rentals, which will be added to your final event order.

AUDIO / VISUAL

VU's event spaces have differing audio and visual capacities. Please inquire with your event coordinator for full details of a/v in contracted space, as well as what needs to be rented from our preferred vendor list for additional services.

SERVICE FEES & TAXES

TAX: all event charges are subject to the current state, county, and city sales taxes totaling 11.75% (may change depending on new governing laws). Additionally, there is a city tax in the amount of 10.25% of only the service fee (gratuity and admin) amounts added.

GRATUITY: all events receive an automatic gratuity of 20% for our staff working that event.

ADMINISTRATIVE FEES: all events are subject to a 6% admin fee, which is based off of the cost of food, beverage, and miscellaneous products. This is not gratuity, but is in place to offset ancillary expenses associated with the planning and administration of your event.

STORAGE

As a rooftop venue with very limited storage space, VU does not store any items before or after an event. Any items left after the conclusion of an event will be properly disposed of if not previously arranged with your event coordinator.

PARKING

There is street parking in the area surrounding our building as well as a parking lot on Indiana Avenue. VU only has validation for reduced price parking in this lot if requested in advance of your event. In addition, there is valet parking for \$23/car

DIETARY RESTRICTIONS

Please make your event coordinator aware of any known dietary allergies or restrictions in advance of your event to ensure the proper selection and preparation of all items served at your event. We are happy to adapt our menu to ensure the safety of our guests.
