

VU ROOFTOP

VU Rooftop is a 13,000 square foot concept located 22 stories high, conveniently located next door to McCormick Place. Here, you can enjoy an ingredient and locally driven beverage program, top-notch cuisine and unparalleled views of the lake and downtown within a modern designed space.

This venue offers several unique options to suit all of your event needs. Take your pick from a variety of nooks, rooms, and event spaces which include private bars, al fresco areas with fire pits, a boardroom, the club bar, the Solarium, the East Terrace with jaw dropping views of the lake and downtown, and the West Terrace with another, equally stunning, skyline view.
